

Hwacheon Mega 100 — Texaco Thunder

Heavy-duty CNC lathe with industry-leading 10" thru-hole for tubing, collars, subs, and long-shaft work. 16" OD × 100" L × 10" thru-hole.

HWACHEON

Texaco Thunder · heavy-duty CNC lathe with 10" thru-hole

The 10-inch through-hole is where Texaco Thunder earns its keep. Long tubing stock, downhole tool bodies with internal passages, coiled-tubing tool bodies, large valve stems with bore access from both ends — parts that other shops outsource because their machines can't accommodate the stock. This machine turns outsourced-work into in-house work.

Pick your industry

Hwacheon Mega 100 for Oil & Gas

Full spec sheet, typical oil & gas parts, alloys, tolerance expectations, documentation approach.

Hwacheon Mega 100 for Aerospace

Full spec sheet, typical aerospace parts, alloys, tolerance expectations, documentation approach.

Hwacheon Mega 100 for Military & Defense

Full spec sheet, typical defense parts, alloys,

Hwacheon Mega 100 for Industrial & General Manufacturing

Full spec sheet, typical industrial parts, alloys,

tolerance expectations, documentation
